woman arrested, as our renders will remember,

We have been shown the following private letter which has been forwarded to the parties to

whom it was addressed. The allusion to inhuman treatment refers to his lather, who was long imprisoned in Macon, the hands of the Scuthern chivalry, much of which was no denot instigated by the men the to Charleston can possibly be, will certainly not

mettle to do what he asys, and will not fail to comply with his promice.

We advise these gentlemen to take his advice and head his warning; it is to their interest and they had butter prefit by his notice fair-

IY given : Massyller, Tenn., July 8, 1863. GENTLEMEN-Knowing, as I do, the inflasues you wish! in both givil and military affairs in a considerable portion of Bast Temmesons, under the dominion of Jos. Davis, and that

your lafteenes may prevent the oppression and

antrages often already felt by the loyal citieses

of the Federal Gavernment around yes, I have

addressed wan this letter.

You know that it is probable that the Federal Gavernment will sconer or later take possession ing to take our saddiers out of the ride pits this of East Tennessee. You know also that there are now about fifteen thousand loyal Tonnes. off. The med were in line-of-battle to receive are new about filten thousand loyal Tennerstans in our army, who, in despite of the the attack, anotherms and opidiets build at these by your. On the 3 people and press, are street and drilled saldiers. smurting under the wrongs they have received from elfunza and saldiers, before they, weredriven from their homes, and feeling still more awaiting the return of Gen. Smith, who took Easily the wrongs inflicted upon their unpro-treeted and detenuciese families during their al-sence, and will be with difficulty restrained conversed freely with the Union officers. One from inflicting upon you a fast and purphis of the messengers said from enough had been retribution. You doubtless expect out committee into the city to stack immesses from from minding officers to prevent this, but the fact has been long since and repuntadly demonstrated in the rebel army, that commanding affings cannot always prevent the letting and oditorials in year paper, you cannot anpart mere discipline in our army than you see in years. Let me explain my mouning by gir- which was finally gratified. The rabel general lag you my own feelings and setentions upon had seen fit to intimate that the unnecessary effect of the last of lives only it by brough the influence of prominent men who, to a considerable extent, shape public opinion, and thereby centrol the actions of citizens and amilies and loyal citizens have not been totally definite period. disregarded, I will not overy exaction to treat ensuring at the Government in the manner are that General Pemberten had it in his hands to scribed in the most civilized rules of war. But stop bloodshed at any mamont. Commission the other hand, those mon who let their feel, were unnecessary, as the only stipulation paranit, or indures the insult or oppression of concluded with a deserved tribute to the brave our people leases the Rues of the rapel Govern- ry and endurance of the rebel garrison, and ment, have little grounds to expect to pass and if they surrendered they should be personally through our hands. Your sugrees and rolled with the coursesy due to prisoners of war.

hitle for Charleston were their own worldly your heads. For instead of endoavoring to re-I spoke in the outset of the general distrust strain others, I will use whatever amail com- interview with Gen. Grant, which was premptly percenting the minds of the inhabitants. I should be unfaithful to the truth did I fall to refer to the causes of this uneasineer, as such a state of feeling must have a reason, real or imaginary. Nobody believes that the city is write to very the universally default, but the cause of the cause of the causes of this uneasineer, as such a state of feeling must have a reason, real or imaginary. Nobody believes that the city is write to ven the universal feelings of officers it are an hour terms were agreed open, and the mand I may have in punishing these who bring granted. At 3 P. M., of the same day, a con der me is paving similar debts. Helleving I ineged from the results. After a little more der me is paving similar debts. Helleving I than an hour terms were agreed open, and the ask you to need avery effect in your power prevent the present civil war from becoming still mere featful and bloody in East Tenesess

Lincoln and Vallandigham, The committee of the Democratic convention which nominated Valuantiguam for governor of the 4th General Steele's division marched late Ohio, addressed a latter to Lincoln, demanding and garrisoned the city.
